

A Level Art

The Department, Facilities and Resources

We have two art rooms and a dedicated 6th form workshop space for student's exclusive use. Each student will have their own space to work from, that you can design; to suit your themes and topics. We have a wide range of creative resources available with a focus on Fine Art as well as art craft and design so that students can further explore specialist areas of interest including textiles, photography and print.

Through studying the AQA course over the two years you will have the opportunity to develop your formal skills as well as be introduced to a range of new styles and historical movements in Art and Design. You will be expected to keep up with Contemporary practice and to work independently in between our scheduled lesson time. You will at first work in all disciplines of Art and explore mediums, themes and artists before focusing on one area of interest for your personal investigation.

A Level Art Assessment

Year 12: Portfolio of work based on one sustained area of study (10-hour mock exam).

Year 13: Portfolio continued plus 15-hour exam to create a final piece.

60% of A-level is coursework which you design plan and execute.

40% Is based on a topic set by the exam board.

Both units are externally moderated.
